## How it All Began An Ice Bowl History Lesson

The first disc golf Ice Bowl was held in January of 1987 at Albert-Oakland Park in Columbia, Missouri. It was an attempt to get some disc golfing activity going in the dead of winter. The Sunday before the

Super Bowl was chosen because it was a football-free day, thus getting rid of the "I'm watching the game" excuse

for not playing. The first Ice Bowl was mentioned in the debut issue of *Disc Golf World News* magazine in spring of 1987, and since then, has been promoted by Disc Golf World on a yearly basis.

In 1996, fundraising for local food banks was made an important component of the Ice Bowl, and disc golfers responded by providing over 5,500 meals. (Each dollar raised equaled seven meals). Last year Ice Bowl worldwide collected \$261,000 charitable dollars and this year's total goal is \$300,000.

## Ice Bowl is Born in Corning NY

Hank Foss, of the Corning Twenty Percenters Disc Golf Club, spearheaded the first Corning Ice Bowl in January of 2000.

Corning's Ice Bowl is held annually at Denison Park Disc Golf Course. This tournament, in it's thirteenth year, has raised money for the Southern Tier Food Bank, placing a focus on fun and giving rather than competition. The Ice Bowl occurs regardless of weather conditions, hence the motto for the tournament. **NO WIMPS, NO WHINERS.**

Everyone that plays in the tournament is encouraged to bring non-perishable food as a part of their entry fee. The first year tournament brought in only \$25, but last year's total raised close to \$1400 for our community. We encourage families and organizations to become involved. Our local boy scouts participate on a yearly basis.

**Your sponsorship will make a difference.** Come out and get cold, nosh on some steaming chili and raise money for those in need.
