WHAT'S HAPPENING AT THE PARK?

The Start/Finish Line Celebration, sponsored by Excellus BlueCross BlueShield, is filled with holiday fun: visit the Blitzen Beverage Garden for samples from Upstate Brewing, FarmHouse Brewery and Finger Lakes Distilling! Have your face painted by Painted Love and get a photo strip from the sELFie photo booth by Strinni Studio sponsored by Party Time. Visit with Santa, warm up with cocoa & cookies by Wegmans, and listen to holiday carols by the EC Naturals and Chrystal Chords! DJ Roger will be at the event all day spinning Jingles favorite holiday tunes!

CASH/CARD & ID

We recommend bringing cash for a tip for face painting, and cash/credit card for Elf Yourself merchandise including our signature **Selfless Elf Cocoa Mugs and Pint Glasses!** Elves 21 and older must present race bib and ID to enter the Blitzen Beverage Garden.

PARKING

Parking is permitted at Pathways on Broad St., the high school parking lots, little league and football field lots, Maple Grove Park and other lots nearby. [Please see the route map for details.](#) Helper Elves will be on hand to assist, but the majority of parking lots near Thorne St Park will be inaccessible and will fill up fast so plan to arrive early. Do not park in unauthorized parking lots or on the street along the route.
