

## 2018 Call for Entries

It starts with ONE can. To feed the hungry. To lift the spirit. To change the world. Canstruction is an international hunger-relief competition where groups compete to design and build giant structures made entirely from canned foods! 100% of monetary and food donations from Canstruction will go towards the Food Bank of the Southern Tier and CHOW's hunger-relief work in Broome County.

The Southern Tier is joined by 100 cities across North America who will hold Canstruction competitions in the coming year. Highlighting the creativity and compassion of architectural and engineering groups, these astounding structures are helping to change the world— by lifting the spirits of those in need, by raising public awareness, and most importantly, by collecting millions of pounds of food for local food banks.
