Every day, people across the Southern Tier go hungry. Children go to school with empty bellies, trying to hide the pain. Hardworking parents struggle to put food on the table, often going without so their kids can eat. Seniors on fixed incomes are forced to choose whether to pay bills or buy groceries. But thanks to you, our neighbors in need are not alone. Because you care, men, women and children can count on the meals you help provide every day to nourish their bodies and spirits.

Feed Neighbors. Feed hope.

Your donation results in food on the table for kids like Kate. Kate is an ordinary girl, but she is one of the 25,960 children in the Southern Tier facing hunger. Sometimes Kate’s tummy hurts because she doesn’t have anything to eat. Her dad lost his job, and they had to spend their savings and max out their credit cards. Thanks to you, Kate’s family is able to visit a pantry and stock their shelves until they get back on their feet.

The Food Bank of the Southern Tier is committed to creating a future without hunger, where access to healthy food by all is recognized as fundamental to the well-being and success of individuals and the foundation of a strong, vibrant society.
